"Over 33 Years of Quality Service"

Our Story

Clinical research has revealed that people recover most adequately in the comfort of their own home or in the surroundings of a home environment. However, today's busy lifestyles can deprive family of the time and energy required to safely care for their love ones at home.

We Support

For the past 33+ years Rivers of Living Waters has provided that necessary place to help meet all the daily needs of our seniors, whether home-bound, independent, or high functioning individuals, we're there to help with supervision and/or assist with daily care.

We Love

Rivers of Living Waters will provide housing and assistance for those that need it along with the same 24 hour 7 days a week, home companionship needed in the comfort of their own homes for the elderly with assurance of safety.

Who We Are

At ROLW, we know how to care for and empower people. We give our residents all the independence they want along with unmatched personal care when they need it. We're proud of the fact that our community feels more like a family and a neighborhood. A place where you can live comfortably and maintain your lifestyle, with the support you desire.

We Care

What's more, our warm and caring staff will take the time to get to know each and every resident, to make them feel welcome and create an environment that focuses on each individual's needs. Everyone here knows each other by name and genuinely enjoys each other's company. See for yourself why ROLW is not only a great choice; it's also a great place to live.

Quality Care Guaranteed

At ROLW your family will live in a home environment. Fresh meals will be provided daily according to dietary restrictions and preference. The importance of nutrition is always considered. Snacks are given upon request. Medication reminders by trained caregivers who utilize doctor provided profiles to monitor safe compliance with prescribed dosages. We provide assistance according to our level of standards in helping them obtain any outside resources concerning their needs.

We Are Committed

ROLW is committed to stand by our promise to be dedicated to serve, to care and provide all we have to offer. We will ensure you, the resident and family members that every provider will have the clients best interest at heart to serve them and help to meet their needs whether they stay short term or long term, it will be done with love.

What We Do

The health and happiness of our residents is our top priority. That's why we offer a menu of services and programs that focus on the physical well-being of our residents as well as the emotional. It keeps everyone feeling good inside and out.
